Round

Not on Unstop

The participants will be provided with clues. The participants have to guess the correct answer for proceeding to the next clue. All the answers to the clues would be a building or location inside the campus. There will be five tracks in which the team will be participating in this event after solving the clues, teams will reach the three tracks in which there will be three caskets and at last it will end to a single track. At last, the team which solves all the clues in minimum time and reaches the final casket will be the winner.

Start: 02 May 25, 12:00 PM IST

End: 02 May 25, 03:00 PM IST

All that you need to know about Treasure Hunt

Be a part of our campus treasure hunt, which enables you to solve the clues based on various places of our campus.

We will give participation certificates to all the participants and prizes to the winner.

Date : 2nd - 3rd May

Benefits:

- Encourages creativity and thinking "outside the box".

- Enhances creative thinking skills

Rules:

- Any kind of cheating will lead to direct disqualification.

- Passing the answers to other teams is strictly not allowed.

- Participants have to maintain the decorum.

- All the participants have to follow all the rules of the game.

General Rules:

- Teams solve location-based clues to find the final treasure.

- No, teams must have 1 to 4 members.

- Approximately 2 hours.

- One round online.

All that you need to know about Founder's Playbook: Crack Case Studies, Build Startups

Do you dream of building your own startup? Wonder how founders solve business problems and scale ideas?

Founder's Playbook is a case-study-based competition designed for aspiring entrepreneurs who want to learn the real hustle behind startups.

Participants will tackle real-world startup case studies, analyse problems, suggest strategic solutions, and finally build a mock plan for their own startup. This is more than just a competition—it's your first step toward becoming a founder.

Guidelines:

- **Eligibility:** Open to all college students and recent graduates.

- **Team Size:** 1 to 3 members.

- **Inter-College Teams:** Allowed

- **Inter-Specialisation Teams:** Allowed

- **Participation Mode:** Fully Online
